

## ADAM C. LEPOSA, OD

### EDUCATION

The New England College of Optometry, Boston, MA

**O.D. in Optometry**

**2010**

University of Rochester, Rochester, NY

**B.A. in Chemistry**

**Research minor in Visual Science**

**2006**

### WORK EXPERIENCE

Glaucoma Specialists – Baltimore, MD

**2011 – present**

Associate for Alan Robin, MD. Private practice setting, mainly glaucoma based. Responsible for independent clinic schedule as well as co-management of glaucoma and surgical patients. Involved in clinical research.

### CLINICAL EXPERIENCE - RESIDENCY

Department of Veterans Affairs – Baltimore, MD

**Residency in Ocular Disease**

**July 2010 – June 2011**

Busy hospital setting, mainly ocular disease based. Managed complex cases including glaucoma, diabetic retinopathy, age-related macular degeneration, uveitis and vascular occlusions. Attended daily lectures at the Wilmer Eye Institute, Johns Hopkins School of Medicine. Rotated through 5 external rotations, one day each week, including Specialty Contact Lens, Retina, Post-op Cornea, Ocular Surface, and Glaucoma. Presented Grand Rounds cases monthly to faculty, students and other residents. Gained independence and proficiency in use and analysis of optometric technology including Fluorescein Angiography, Humphrey Visual Field Analyzer and Optical Coherence Tomography.

### CLINICAL EXPERIENCE – STUDENT EXTERNSHIPS

South Boston Community Health Center – South Boston, MA

**May 2009 – Aug 2009**

Clinical Honors. Responsible for all aspects of patient care, including billing/coding, optical dispensing, and coordinating ophthalmological care with local hospital. Presented Grand Rounds cases to Faculty and other students. Gained proficiency in use and analysis of Optometric technology including Humphrey Visual Field Analyzer, OCT, HRT and GDx.

University of Maryland Eye Associates, Baltimore, MD

**Sep 2009 – Nov 2009**

Clinical Honors. Gained experience in specialty contact lens fits including multifocals, RGPs, keratoconic fitting and Post-Graft Fitting. Worked weekly with ophthalmology subspecialties including Cornea, Retina and Neuro-ophthalmology. Demonstrated proficiency in appropriate patient assessment and management. Attended weekly Grand Rounds at University of Maryland's Department of Ophthalmology.

Bay Pines VA Medical Center, Bay Pines, FL

**Dec 2009 – Feb 2010**

Gained frequent exposure to numerous ocular disease processes including Glaucoma, Age-related Macular Degeneration and Cataracts. Performed Low Vision Care on two separate half-day sessions per week. Worked weekly to bi-weekly with patients who have suffered Traumatic Brain Injury.

Braverman Eye Center, Hallandale, FL

**Mar 2010 – May 2010**

Clinical Honors. Gained experience in soft contact lens fits including multifocal lenses, toric lenses, and monovision. Worked weekly with ophthalmology subspecialties including Oculoplastics, Retina and Neuro-ophthalmology. Demonstrated proficiency in appropriate patient assessment and management. Attended weekly discussions regarding treatment and management of ocular disease.

### RELATED EXPERIENCE

New England Eye Institute – Commonwealth, Boston, MA

**Contact Lens Assistant**

**May 2009 – Aug 2009**

Stocked and ordered contacts lenses as needed for patients, as well as trial lenses for student clinicians.

New England Eye Institute – Commonwealth, Boston, MA

**Billing Assistant**

**Sep 2008 – May 2009**

Ensured proper coding of patient visits. Compiled new database to efficiently monitor the New England College of Optometry's school screening program. Obtained Prior Authorizations from insurance companies for various products and services.

Roswell Park Cancer Institute, Buffalo, NY

**Intern****Dec 2001 – Apr 2002**

Obtained, compiled, and analyzed data in order to track value of a new chemotherapeutic agent in an animal model of MRI based research.

**PUBLICATIONS AND PAPERS**

<i>Optometric Management of Post-Operative Glaucoma</i> Guest Lecture at Salus University, Philadelphia, PA	2011
<i>Age and Race as risk factors for open angle glaucoma</i> Guest Lecture at Maryland Optometry Association's fourth annual Evidence Based Care in Optometry Conference, Baltimore, MD	2011
<i>Retinal Macroaneurysm and discontinuation of anti-hypertensive medications</i> Ocular Disease poster presented at the American Academy of Optometry, San Francisco, CA	2010
<i>Vision screening in driver's license renewal amongst the elderly population</i> Public Health poster presented at the American Academy of Optometry, Tampa, FL	2007

**MEMBERSHIPS, CERTIFICATIONS, AND LICENSURE**

National Board of Examiners in Optometry – Part I – Passed, March 2009  
National Board of Examiners in Optometry – Part II – Passed, December 2009  
National Board of Examiners in Optometry – Part III - Passed, May 2010  
Pennsylvania Board of Optometry – Active License since June 2010  
Maryland Board of Optometry – Active License since March 2011  
American Optometric Student Association; 2006-2010  
CITI certified – May 2011
